

ooh post - rate card

Pricing is based on project complexity rather than day rates. All packages are built around a £400/day baseline to ensure transparent and predictable pricing.

Base Mix Package - £400

- Up to 30 seconds
- Up to 2 speaking characters
- Dialogue clean-up & balance
- Music & FX balance (if supplied)
- Loudness delivery to spec
- 1 round of revisions included

Add-Ons

Category	Option	Price
Length	30-60 seconds	+ £150
	60-90 seconds	+ £300
	Each additional 30 seconds	+ £150
Voices	3-4 speaking characters	+ £100
	5-6 speaking characters	+ £200
	Each additional 2 characters	+ £100
Sound Design	Light sound design (spot FX, polish)	+ £150
	Full sound design (bespoke FX & atmospheres)	+ £300-£400

Additional revision rounds or scope changes may be charged separately. Broadcast, multiple deliverables, or fast-turnaround projects may affect final pricing. Animation/CGI where full sound, voice and FX recreation will be priced separately.
